NOTICE TO INTERNATIONAL CANDIDATES

Courses are taught in French and/or in English. The language efficiency assessment will be based on the documents the student will provide along with his/her application (TOEIC, TOEFL...) and/or prepared work for the entrance exam. The school will decide whether or not a candidate has a sufficient level of English or French to follow our programs. For international candidates applying for English courses, a basic level in French is highly recommended.

Please return your complete application to: ESMOD / ISEM PARIS - ADMISSIONS OFFICE, 12, rue de la Rochefoucauld, 75009 Paris or by email at admissions.paris@esmod.com - Tel : + 33 (0)1 44 83 81

PLEASE SELECT YOUR PROGRAM BELOW

All of our programs are available in French and those available in English are indicated by a ★. The classes can be composed of 100% English speaking students or a mix of anglophone and francophone students depending on class-size. For more information on the language options in our 3rd year specializations, please contact the admissions team (contacts on page 4).

HOW TO APPLY ?

APPLICATION

The first step is to fill out our application form and send it back to us by mail or email, along with all the documents listed on the first page. Once your application has been received by the Admissions Office, your candidacy will be reviewed to ensure that your profile matches the course you applied for and that there is not a course that would be more suitable for you.

At this step, you should expect to receive a response by phone or email in about one week.

EVALUATION

If your application is eligible, you will then receive an email describing an assignment that must be completed at home.

ESMOD

« **Fashion Designer** » *State accredited diploma with Level II registration under the National Register of Professional Certifications (RNCP) by ministerial decree of 25 February 2016, published in the Official Journal of 17 March 2016.*

For candidates applying for the 1st year or «Intensive course in Fashion Design», the completion of this assignment does not require any particular skills and will allow us to assess your fashion culture and your creativity. An oral presentation of this work will then be made during a personal or Skype motivation interview with a member of our teaching team.

For candidates applying for the 2nd and 3rd years, your portfolio and academic achievements will be evaluated by our Validation & Orientation Committee. Depending on the result, an additional test in pattern-making may be requested and carried out at the school. For eligible international students, an interview may be offered to ensure language proficiency.

« **Creative Director** » *Creative Director» Diploma, State accredited with Level I registration under the National Register of Professional Certifications (RNCP) by ministerial decree of 7 April 2017, published in the Official Journal of 21 April 2017.*

The subject of the portfolio that will be sent to you by email will allow you to illustrate your technical and artistic skills acquired during your previous studies. We will also ask you to explain your professional project.

Your work will be evaluated by our Validation & Orientation Committee and you may be invited to attend an additional personal or Skype motivation interview if necessary.

RESULTS

Following the evaluation of your assignment and/or motivation interview, you will receive a definitive answer regarding your candidacy within a week.

ISEM

« **Head of Commercial and Communication Strategy in Fashion Industry** » *State accredited diploma with Level II registration under the National Register of Professional Certifications (RNCP) by ministerial decree of 9 January 2015, published in the Official Journal of 30 January 2015.*

For candidates applying for the 1st year, the completion of the assignment does not require any particular skills and will allow us to assess your fashion culture as well as your writing and analytical skills.

For candidates applying for the 2nd and 3rd years, the evaluation will be based on our assignment and your academic achievements during your previous years of study.

An oral presentation of this work will then be made during a personal or Skype motivation interview with a member of our teaching team.

« **Manager of International Development in Fashion & Luxury Industry**»

The assignment will allow us to assess your fashion culture as well as your analytical and writing skills. An oral presentation of this work will be made during a personal or Skype motivation interview with a member of the teaching team: we will have an opportunity to discuss your career goals and to ensure that they are coherent with our course.

For candidates applying for the 5th year, the assignment will help us to assess multiple skills acquired during your previous studies.

FINANCIAL TERMS

If your application is eligible, you will be asked to fill out the registration form and to send it back accompanied by a down payment.

If you are not accepted after the interview, the down payment will be fully refunded to you.

Students from the EU/EEA/Switzerland :

Tuition can be paid in three installments by check, wire transfer, cash or credit card (you need to be present in person at our school in Paris)

1/3 must be paid before the interview.
